

Government of Nepal  
Ministry of Population and Environment  
Alternative Energy Promotion Center

**Invitation for proposal/letter of intent for Purchasing Emission Reduction Credit**

*(First Date of Publication: 26<sup>th</sup> June 2016)*

Alternative Energy Promotion Centre (AEPC) is a semi-autonomous government institution under the Ministry of Population and Environment; established with the objective of developing and promoting renewable/alternative energy technologies in Nepal. From July 16, 2012, AEPC is executing a five years National Rural and Renewable Energy Programme (NRREP) which has a single programme modality. AEPC is further committed to develop a well diversified portfolio of carbon projects using different instruments. AEPC succeeded in developing and registering five Clean Development Mechanism Project Activities (Four Project activities related to household level biogas technology and one Micro-hydro Technology) and three CDM Program of Activities-PoA (Improved Water Mills Technology, Household Biogas Technology and Improved Cook-stoves Technology). Being the projects implemented in least developed country, the project activities and PoAs, apart from reducing GHG emissions from baseline offer additional sustainable benefits to the users.

AEPC now, would like to invite proposal/letter of intent from interested national/international entities for purchasing emission reduction credit generated up to 2020 and beyond as mentioned below:

Project ID (UNFCCC)	Project Name	Technology	Methodology used	Expected annual ERs (t CO2 eq)	Remarks
0136	<u>Biogas Support Program - Nepal (BSP-Nepal) Activity-1</u>	Household Biogas	AMS I.E	26,926	CERs available for MP 2015/16 and beyond
0139	<u>Biogas Support Program - Nepal (BSP-Nepal) Activity-2</u>	Household Biogas	AMS I.E	24,992	CERs available for MP 2015/16 and beyond
3653	<u>Micro Hydro Promotion</u>	Micro-hydro Power	AMS I. A	40,535	CERs available for MP 2018 and beyond

5415	<u>Biogas Support Program - Nepal Activity-3</u>	Household Biogas	AMS I.E	56,919	CERs available for MP 2015/16 and beyond
5416	<u>Biogas Support Program - Nepal Activity-4</u>	Household Biogas	AMS I.E	56,487	CERs available for MP 2015/16 and beyond
9572-PoA	<u>Nepal Biogas Support Program-PoA</u>	Household Biogas	AMS I.E	61,510 per CPA	CERs available for MP 2016/17 and beyond <ul style="list-style-type: none"> <li>• Surplus 62,178 CERs available for immediate trading from already issued CERs for MP 2013-2015).</li> <li>• There are already 7 CPAs in PoA.</li> <li>• First four CPAs are GS registered.</li> </ul>
9902-PoA	<u>Promotion of Improved Cooking Stoves (ICS)- Nepal</u>	Improved Cooking Stoves	AMS II.G	33,770 per CPA	CERs available for MP 2020 and beyond
9889-PoA	<u>PoA for the Promotion of Improved Water Mills (IWM)- Nepal</u>	Improved Water Mills	AMS I.B	11,022 per CPA	CERs available for MP 2020 and beyond

Interested entities are requested to contact AEPC for potential volume/time based transaction of potential CERs/GS-CERs for immediate and long term negotiation for any monitoring period. The rate and other terms and conditions for the agreement are negotiable. The proposal/letter of intent should be reached in following address **within 21 days** from the first date of publication of this notice.
